Robyn, here's the final work plan provided by the PRPs last Friday. Please check for adequate responses to your comments (recalling that during our call with the PRPs on June 12, a number of comments were decided to be outside the scope of this workplan) and let me know of any problems with the responses by Friday, June 27. Copy Jeff on your e-mail as I'll be out that day.

Sincerely,

Daniel R. Gravatt, PG

Principles and integrity are expensive, but they are among the very few things worth having.
